

PRODUCT DATA SHEET

Lubricants – Engine Oil - Motorcycle Engine Oils

“PLEASURE” the emotion you can experience with HYUNDAI XTeer, based on HYUNDAI’s most advanced technology from KOREA representing the next generation of automobile lubricants.

XTeer 2T

Description

XTeer 2T is a premium two-stroke motorcycle oil that can be mixed with gasoline in an air-cooled two-stroke engine made from high quality base oils and excellent additives. It is made of highly refined base oil with low ash additives to significantly reduce smoke and has excellent engine protection even under extreme conditions of high speed.

Application

- ✧ All 2-cycle sport bikes
- ✧ grass eliminator

Features / Benefits

- ✧ With excellent wear resistance and oxidation stability, it can withstand high load and high speed operating conditions and has excellent engine protection.
- ✧ High viscosity index extends the life of mission gear parts.
- ✧ It has excellent low temperature performance and high temperature performance to enable four seasons.

SAE		20
Viscosity, cSt	40°C	45.1
	100°C	7.6
Viscosity Index		131
Flash Point (°C)		70
Pour Point (°C)		-36.0

Remarks

XTeer 2T meet or exceed the requirements of

- ✧ SAE 20
- ✧ API TC, JASO FC
