

PRODUCT DATA SHEET

Lubricants – Car Chemical – Power Steering Fluid

“PLEASURE” the emotion you can experience with HYUNDAI XTeer, based on HYUNDAI’s most advanced technology from KOREA representing the next generation of automobile lubricants.

XTeer PSF (Power Steering Fluid)

Description

XTeer PSF (Power Steering Fluid) is the highest quality power steering oil that uses highly refined premium base oils with excellent oxidation stability and cleanliness to protect various parts of the car's power steering system and ensure smooth steering performance.

Application

- ✧ Hydraulics for vehicle power steering and shock absorbers, etc.
- ✧ Automotive hydraulic fluid, general purpose hydraulic fluid

Features / Benefits

- ✧ KS M 2129
- ✧ ISO VG 32
- ✧ Antioxidants are added to minimize the production of sludge and acidic substances due to oxidation, which reduces deterioration and helps to extend service life.
- ✧ Anti-foaming agent prevents cavitation and ensures uniform operation
- ✧ Power steering fluid for smooth steering and stable driving.

Typical Properties

Test Method	Kinematic Viscosity (°C)		VI	Flash Point (°C)	Pour Point (°C)
	@ 40°C	@ 100°C			
Result	30.0	5.2	103	216	-27.5
